STUBBS EARLY EDUCATION CENTER

Meeting the needs of children and parents together.

New Beginnings! On February 13, 2018, the Christina Board of Education approved an agreement with the Governor's Office and the Department of Education that included new ideas for the City of Wilmington schools to improve student achievement. Beginning in the 2019-20 school year, Stubbs Early Education Center will serve preschool, prekindergarten and kindergarten students in the Wilmington area.

EARLY EDUCATION CENTER

Stubbs Early Education Center will build on its reputation as a school that serves the community by transforming into a community-focused resource center providing quality early education services for children from birth through Kindergarten.

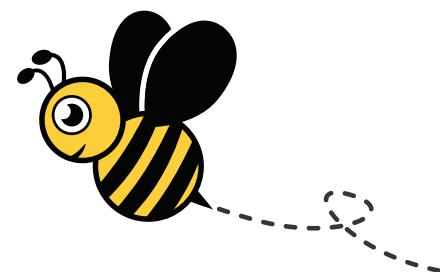

DUAL GENERATION CENTER AT STUBBS

The Dual Generation Center at Stubbs offers opportunities for adults in parenting skills, literacy, financial education, GED preparation, and job training. The Center will also house state services from the Department of Health and Social Services, the Department of Labor, and the Department of Services for Children, Youth and their Families.

REGISTRATION

Registrations are now being accepted. Please bring the following:

- ◆ Proof of residence
- ◆ Birth certificate
- ◆ Immunization record
