

Free Workforce Training Classes

Looking for FREE training to advance your career or break into a new field?

Delaware Tech is offering free workforce training in the fields of healthcare, education, construction technology, and customer service. This training is for unemployed and underemployed individuals, and available free to qualified students due to a generous grant from Barclays US Consumer Bank Delaware.

Classes run from November 2022 through Spring 2023.

Attend an Information Session to Learn More:
