

# The Pride Of Glasgow

(The GHS Alma Mater)

Hail to thee, the pride of Glasgow,  
standing near and yet so far.

Through the days and endless nights,  
like a shining star.

All the world shall know.

As we live and grow.

Loyalty we pledge to thee,

Glasgow High, your praises ever ringing.

We stand ready and prepared,

to give our minds and hearts to thee.

Glasgow High we promise you our love  
and loyalty.
